34. How does the department ensure that programme objectives are constantly met and learning outcomes monitored?

Student's involvement	The students give us full co-operation during all the department programmes
Students improvement	We monitor the student's improvement by way of pass percentage from first year through third year. Also, the skills (Communication skill, personality development, etc.) of students are well developed at the end of the course
Feedback	The feedbacks from the students are collected and the negative feedbacks are rectified

35. Highlight the participation of students and faculty in extension activities.

38. Detail any five Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department

Strengths

- Co-operation among staff

- Management encouragement

- Conducting state level seminar regularly

- Industrial visit [every year] for students

- Student staff relationship is good because of young team members

Weaknesses

- Sharing the lab with chemistry department

- Insufficient number of books on some titles

- No PG course

- Poor communication skill of the students

- Lack of orientation programme

Opportunities

- Introducing PG course

- Bridge course for the first year students because the students are very poor to grasp the subject

- Introducing Bioinformatics course

- Introducing allied subjects

- Opportunities for employment

Challenges

- Lack of Communication skill

- Boys-girls relationship of students

- Students attitude

39.   Future plans of the department.

- Introducing PG and Research Programmes

- Well equipped laboratory

- Plan to buy more books in the library

- Introducing Allied Biochemistry subject for other departments

- Prof.S. Lawrence serving as a Dean- student affairs from the year 2010 to till date

36. **Give details of "beyond syllabus scholarly activities" of the department.**

- Delivering guest lectures in the nearby academic institutions under the banner of Rural Society for Advancement in Chemistry (RUSAC), a wing which was started by our own Department.

37. **State whether the programme/ department is accredited/ graded by other agencies. Give details.**

Nil

38. **Detail any five Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department**

Strengths

- Competent and dedicated staff

- Adequate infrastructural facilities

- Freedom of administration

- Instrumentation Centre

Weaknesses

- Rural locality

- Poor communication skills of students

- Lacking in research

- Less number of qualified personnel

Opportunities

- To upgrade the department as a full-fledged research department

- To obtain major and minor projects from national funding agencies

- Consultancy for local industries

Challenges

- Non availability of quality teachers due to poor salary

- Abnormal increase in prices of chemicals

- Competition from neighbouring colleges

- Difficulty in getting students with good academic record and motivating students for NET and SLET

- Coping up with the industrial demands and training the students for them.

39.   Future plans of the department.

- To participate in socially relevant research activities.

- To add more instruments to the existing instrumentation centre.

- To apply for projects from national funding agencies.

- To encourage the faculty members to register for their Ph.D.

- To encourage the faculty members get the guideship for Ph.D.

- Good rapport with students

- Cooperative and qualified staff

- Willingness and high commitment to work on the part of staff

- High demand for admissions

Weakness

- Students are weak in English

- Insufficient attention to documentation

- Infrastructure for research is poor

- Lack of separate fund for the department to conduct State/National level programs

- No office assistant for the department

Opportunities

- Many staff will soon complete their Ph.D.

- Chance of becoming Ph.D. Guides

- Potential for individual projects

- Consultations and foreign collaborations

- Opportunities for inter disciplinary programmes

Challenges

- Improving the communicative English of the students.

- Research programme need not be emphasized at the cost of UG program

- Possibilities of high staff turnover with unaided section, if they are not suitably rewarded.

- Boy-girl relationships should be guided

- Regulating the possession of mobile phones

37. **State whether the programme/ department is accredited/ graded by other agencies. Give details.**

Nil

38. **Detail any five Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department**

Strengths

- Team work and team building practices

- Syllabus is rich in its content. Every year about 10 students are placed in the IT industry in the off campus recruitment.

- Silver Jubilee of the Department during 2012-13.

- Decisions based on the consensus of the staff (Regular Staff Meetings)

- Three senior staff members working from the inception of the department and two of them have completed Ph.D.

Weaknesses

- The workload of each of the staff member is very high

- Lack of infrastructural facilities

- Research and consultancy service are to be strengthened in the department

- Communications with alumni is poor

- Poor documentation facilities.

Opportunities

- Starting Ph.D Programme from 2013-14 onwards

- To work towards a nationally recognized research centre in Software Engineering

- Separate Placement Cell for the computer science department

- To establish MoU with reputed IT industries and research institutes

- To continue the forum Informatics Society for Rural Development (ISRD)

Challenges

- Boy-Girl Relationship.

- 15 weeks of contact classes are not fully available to exercise academic commitments.

- Lack of funds to conduct programmes (SPACE, COMMUNE, DEEDS, etc).

- Lack of motivation among the students

- Admission of quality students

- As the students are engaged during the afternoon sessions, the association programmes could not be conducted independently.

39.   Future plans of the department.

- To introduce Ph.D. Programme.

- To establish a research laboratory.

- To create Memorandum of Understanding with software companies in Chennai and Bangalore to promote placement of students, project development and exchange programmes for training.

- To build a database of alumni.

38. **Detail any five Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the department**

Strengths

- Good dedicated staff ready to shoulder responsibilities

- Maximum number of publications (National and International levels)

- Team spirit and encouragement students

- Ph.D. guides available

- Power point presentation and infrastructure facilities

Weaknesses

- Workload is heavy

- Rural background of students

- Lack of computer lab

- No high speed wi-fi connection

- Deputing staff for various departments reduces the concentration of the parent department

Opportunities

- Encouraging staff members to register for Ph.D.

- Trying for conducting International Conferences every year

- Contact the Alumni for sponsoring Conferences for the students

- Encouraging UG students to pursue their studies till Ph.D. in the same department

- Collaborating with Ramanujam Institute of Advanced Studies in Mathematics (RIASM), IIT, for research

Challenges

- Lack of fund to get subscribed journals for conducting National and International conferences

- Lack of subject knowledge of the students

- Ensure appropriate personality development of the students

- Update the progress of the on-going programme

39.   Future plans of the department.

- Entire faculty with Doctorate degree

- Gearing up to application oriented scientific research

- Producing students with talents and creativity

- Establishing a strong alumni database

- Inculcating a sense of belonging to the department

116

Strengths

- Team work in the department

- Well equipped infrastructure

- Providing in-plant training & industrial visit

- Workshops, seminars, special lecture by corporate experts are organized regularly

- Practical training is given to the students such as management games

Weaknesses

- Rural background of the students

- Lack of fund availability for external activities

- No easy accessibility with corporates

- Very few tie-ups with corporates

- Lack of employability, communication, and managerial of the students

Opportunities

- To develop research in management

- More lectures / workshops / seminars can be arranged with external support.

- Diploma courses can be offered in future

- Few more specializations can be added

- MOUs with corporates & B-Schools

Challenges

- There are many B-Schools and MBA offering colleges

- Placement in a competitive job market

- Rural based College

- Less corporate interactions due to non availability of corporates in the surrounding

39. **Future plans of the department.**

- To develop the department into a research department

- To increase the intake of students

- Participation in coaching classes conducted by other departments

37. **State whether the programme/department is accredited/graded by other agencies. Give details.**

No

38. **Detail any five Strengths, Weakness, Opportunities and Challenges (SWOC) of the department.**

Strengths

- Team spirit, unity and co-operation

- Qualified and dedicated staff (Five members with Ph.D. degree and others pursuing Ph.D)

- Students follow-up and care

- Quality teaching using new technologies (LCD and video clippings)

- Well-equipped labs for UG and PG courses

Weaknesses

- Students admission (poor quality students are admitted)

- Lack of space (for conducting extra classes, tests, special coaching, M.Sc & M.Phil projects etc.)

- Lack of student's motivation (many of them don't take up competitive exams)

- Lack of sufficient number of computers with internet connections

- Poor communication skills of students

Opportunities

- Scope for the development of research (Department is recognized as a research department)

- Scope for establishing State/National recognized research centre in the department

- Having U.G, P.G, M.Phil and Ph.D in the same department provides opportunity for the students to continue their studies

- Possible to have collaborative research with other research institutes

- Possibility for improving consultancy and extension activities of the department

Challenges

- Maintaining healthy relationship between boys and girls

- Lack of space

- Motivating the students is a real challenge

- Placement for students

- Difficulty in attracting quality students in science

39.   Future plans of the department.

- Separate labs for M.Phil & Ph.D. programmes

- At least one National/International Conference every year

- At least two publications in reputed international journals per year by each staff

- All staff members becoming Ph.D holders

- At least one smart classrooms in the department

- Promotion of web based learning

- Certificate courses and coaching classes

- Certificate course in Cell Phone services

- Certificate course in-house wiring and repairing home appliances

- Coaching class for Competitive Examinations (NET, SET, GATE, Medical Physics etc.)

- Establish a strong alumni data base
