Dear Sacred Hearts,

I hope and pray that this edition finds you in the pink of health.

Like in several parts of the world, India has been experiencing a massive surge of Covid-19 cases and deaths during the deadly second wave. The same is reflected in our state. We all experienced the agony of Covid-19 in our families and neighborhood. Our own staff members, Mr. C. Sivakumar, Junior Assistant, Mrs. S. Kaliarasi, Department of Communicative English lost their life during this pandemic. I pray the Almighty to grant eternal repose to these two, and to the souls of parents, siblings and relatives of our staff members and students who have passed away due to

corona.

The Sacred Heart College continues to serve the needy during this pandemic. The college provided Covid-19 medical kits and dry ration to 500 families infected by corona virus. A Corona Care Centre with hundred beds was established in the college, which treated the people using the traditional Tamil siddha treatment. Along with these initiatives, the college has joined hands with the district administration to function as a vaccination centre, regular vaccination drives are conducted to vaccinate the citizens of the town.

We have conducted the examinations online, keeping to the norms of the Government and declared the results on time. We shall begin the new academic year 2021-2022 from 1<sup>st</sup> August, 2021 as per the latest guidelines given by Government of Tamil Nadu. I request all the faculty and students to be prepared for blended teaching and learning composing of the traditional and e-learning pedagogies. We should technically adjust to adapt to online mode and continue excelling in teaching and learning, ensuring that pandemic is not a barrier for Sacred Heartians.

I also request you to abide by the protocols of the government during this pandemic, follow social distancing, wear facemasks and sanitize regularly. More importantly vaccinate yourself at the earliest and encourage your near and dear ones to be vaccinated. You can avail of the opportunity provided in our college premises for vaccination.

There is a saying in Tibetan, “tragedy should be utilized as a source of strength”. No matter what sort of difficulties, how painful the experience is, if we lose our hope, that’s our real disaster. Let’s not lose hope. We are in this, together - and we will get through this, together.

Wishing you a Happy Feast of St. Thomas, (3<sup>rd</sup> July) patron of the Salesian Province of Chennai.

May St. Thomas, the Apostle, pray for all of us.

With prayerful wishes.

## IVDP-SHC Scholarship

In December, 2017, in an Educational Scholarship distribution programme for the Orphan and the Semi-Orphans at Sacred Heart College, Tirupattur, Mr. Kulandei Francis, the founder-president of IVDP, Krishnagiri, threw a challenge to the students. He challenged the students to create an educational scholarship for their fellow students from financially backward classes. The money should be gathered only from the students. He promised that he would contribute a matching grant to the fund gathered by the students. Gathering of funds, identifying the beneficiaries and interacting with IVDP are all done by the students themselves.

This challenge was accepted by the students. A core team volunteered to venture into this challenging project. In the year 2017 – 2018, 60 students were given Rs. 5,000/- as educational scholarship; in 2018 – 2019, 80 students were given Rs. 5,000/-; in 2019 – 2020, 120 students were given Rs. 5,000/-.

In 2020 - 2021, the Covid-19 pandemic situation posed a great challenge to the continuation of the three-year old contributive scholarship programme. As the college was closed under the direction from the government, the scholarship programme could not take off. In this tough situation, Mr. Kulandai Francis himself came forward to offer 100 scholarships on his own without any contribution from the students. The students did not want to go empty handed into the exercise. When the college was opened between Feb 8 to March 12, and even after that the student-group appealed to the generosity of the students and they were able to collect Rs.1,67,462.50. This time the scholarship amount was raised to Rs.7,500 per student. So, 122 (100+22) students were given Rs. 7,500 as educational scholarship on April 12, 2021 during a short programme held at Carreno Hall in the College. Mr. Kulandai Francis distributed the scholarships and four of the teaching faculty members were gifted with a laptop each. He also announced that he would contribute Rs. 2 Lakhs towards purchase of library books for the college.

S. No.	Year	No. of students benefitted	Contribution from		Total
			SHC	IVDP	
1	2017 – 2018	60	Rs. 1,50,000	Rs. 1,50,000	Rs. 3,00,000
2	2018 – 2019	80	Rs. 2,00,000	Rs. 2,00,000	Rs. 4,00,000
3	2019 – 2020	120	Rs. 3,00,000	Rs. 3,00,000	Rs. 6,00,000
