EBLIS WEB MODULES

Sacred Heart College Library

Welcome selvamm! Fri, Jun 1, 2018

 Circulation	Charge, discharge and reserve resources. Extend lending period through renewals. Recall resources in circulation. Block members in single or in bulk from accessing the resources.
 Serial Control	Track the ordering and receipt of journals. Handle new subscriptions and renewals for journals. Check in journals and claim for missing issues. Maintain articles from journals. Accessible only to the librarian and the library staff.
 Document Catalogue	Maintain Bibliographic information on books, CD's, cassettes and other material types. Customizable classification schemes. Classify books and feed articles. View statistical information on your library collections.
 Acquisition	Handle ordering of books, CD's, Cassettes and other materials. Maintain gifts and direct purchase details. Track orders and place claims to your vendors.
 Members	Assign rights to the members and fit them into categories like staff, students, employees. Create members in single or as a group. Provide member profile information, set security password and it is updateable by the member in OPAC. Track expired membership details.
 Defaults	Helps to manage collection of predefined details, such as authors, sponsors, vendors, country and state. These collections are for referencing from other modules, without having to enter them again and again.
 Binding	Keep track of books, articles and journals sent for binding.Claim for pending books, articles and journals sent for binding.
 Budget	Generate budgets for a period of time. Helps to allocate and deallocate the budget for the various resource types. Provide various budget reports and shows status of the each budget.
