He took the students around the college campus and made them familiar with the various departments, offices, library, classrooms, and the various facilities available at the campus.

Environmentally beneficial applications always accompany good research. Considering that, an International Webinar on “The Impact of Nanotechnology on Energy and Environmental Applications – (INEEA-2021)” was held on 31st August 2021. Dr. A. Dhayal Raj convened the programme. The resource person was Dr. K. Kaviyarasu, Senior Researcher, UNESCO – Unisa Africa Chair in Nanoscience and Nanotechnology. All those who took part in the webinar received E-certificate and were very appreciative of the sessions organized. On 2nd September 2021, another International Webinar on the topic “Engineered Materials in Electromagnetic Interference Shielding for Electronic Applications – (EMEIS 2021) was organized by Dr. A. Dhayal Raj. The resource person was Dr. K. RAJAVEL, Research Assistant Professor, Shenzhen Institute of Advanced Technologies (SIAT), Chinese Academy of Sciences, Shenzhen, China.

The **Teachers’ Day** was celebrated on 5th September 2021 by the student leaders, and it was conducted through google meet in the afternoon hours. Rev. Dr. K. Gandhi Kallarasan gave a word of appreciation to all the students. The first students’ seminar for this academic year was organized by Dr. M. Jose. It was held on 9th November 2021 in the afternoon at Pope Francis Hall. The topics dealt with were Dual Nature of Radiation, Medical Physics, Nano Technology, and Rocket Technology. The first invited talk was on “Opportunities in the World of Physics”. It was held in Pope Francis Hall on 26th November 2021. Mr. A. John Bosco (Principal Architect, Wipro Technologies Bangalore), was the resource person. The HoD greeted and honoured the chief guests and presented him with a memento. All the students appreciated the programme, especially the final year students.

The Sharing Day for this academic year was at the Panchayat Union Middle School located in Thirumal Nagar. All the students and staff gathered at the school by 10.00 a.m. The students organized a few cultural programmes and distributed to all the school children snacks and a

gift pack containing a pencil, pen, scale, eraser, sharpener, pencil box, exam pad, and 4 notebooks worth about Rs. 150/-. Christmas celebrations at the department level was held on 22nd December 2021 in the UG Physics lab. Rev. Fr. A. M. Mathew was invited as a Chief Guest. After a few cultural items and students distributed snacks and sang a few carols.

The Department organized a National Webinar on “Spectroscopy and its Applications in Environmental Studies” on 12th January 2022, Dr. A. Chandrasekaran, Assistant Professor, Department of Physics, SSN College of Engineering, Chennai was the resource person. Feedback was collected from all the participants, and e-certificates were issued to all the participants who submitted their feedback on the webinar. The online webinar was conducted on 26th Feb 2022, for all the UG Physics students of Sacred Heart College. The resource person was Mr. Santosh Takale, the senior scientist. Prof. Martin Britto Dhas arranged the webinar. He thanked the resource person and the HoD, Dr. A. Albert Irudayaraj.

The Intra-Departmental QUIZ Competition was conducted on National Science Day on 28th February 2022 by the Physics Department (Shift-1) in Pope Francis Hall for all UG B.Sc. Physics Students. There were eight teams representing students from every class. All were very much interested and enjoyed a lot and gained knowledge. On 10th March 2022, Rev. Fr. Dr. I. Joe Sanjay, Head of the Department of Counseling Psychology, Sacred Heart College, gave a post-lunch session on “Heterosexual Maturity” to all the students.
