today's human family

**SACRED HEART COLLEGE**

**( A U T O N O M O U S )** Tirupattur

Accredited by NAAC with CGPA of 3.31/4 at 'A+' Grade | Affiliated to Thiruvalluvar University, Vellore

Dear Sacred Hearts,

I am happy to meet you all through this edition of Sacred Heart Times  
May the new year of 2023 bring you joy, peace, wealth, and health. As we start the New Year, I came across a fascinating resolution for the year, "7 UPS" and would like to share it with you.

- Wake UP** Begin the day with Lord, feel the newness of the Day
- Dress UP** Put on a smile, it improves your look
- Shut UP** Watch your tongue, do not gossip, learn to listen
- Stand UP** Take a stand for what you believe, resist the evil and do good
- Look UP** Open up your eyes on the Lord, believe the divine
- Reach UP** Spend time in prayer, let your intentions reach the heaven
- Lift UP** Be available and help the needy

Let us remember these "**7 UPS**" in our daily life.

The calendar year 2023 will be a significant year for SHC, as we prepare for the V cycle of NAAC accreditation. I solicit the co-operation of all stakeholders in this significant process.

Any Salesian Institute always has something special happening in January. Now is the time to honor and remember St. John Bosco, our founder. I wish you all a happy feast day of St. John Bosco and assure you that you will be remembered in our prayers.

The college has consistently worked with the local government to encourage reading habit and literacy among the populace. We are once again providing space and support systems for the annual literary festival and book exhibition. I urge you all to actively participate and benefit from it.

The stenna for 2023, "**As the Yeast in Today's Human Family,**" was presented by Rev. Fr. Angel Fernández Arttime SDB, the Rector Major of the Salesian congregation. It is an invitation to live side by side and to be a leaven in the dough of the bread of humanity. Even though leaven is only used in small amounts, it has the power to affect, condition, and change the entire batch of dough. Let us live among the common people like a leaven and shape, condition, and transform their lives and society as a whole.

Wish you all a Happy Republic Day, and as true citizens of the country, we shall pledge to keep up democracy and multifaceted culture of the nation.

May St. John Bosco and Our Lady protect us and our country.

Rev. Dr. D. Maria Antony Raj SDB,  
Principal.

# Research Day' 2022

Research Day at Sacred Heart College continues to raise awareness and appreciation of research projects across departments, to encourage information sharing and idea sharing to support the growth of multidisciplinary efforts, and to instil research aptitude in faculty and students. Sacred Heart College has been aggressively expanding its research cell across all departments while also bolstering it. Every year, a Research Day is held to highlight the re-

search that the college's faculty and students have conducted. This year the wonderful results of the diligent research from faculty and students were honoured on December 14, 2022. The celebrations began at 10.30 a.m. in the Kamarajar Arangam with a prayer song sung by the college choir. With a prayer, Rev. Dr. P. Gandhi Kallarasan invoked the Lord's blessings. Dr. K.P.J. Reddy, Emeritus Professor, Aerospace Engineering, Indian Institute of Science, Bengaluru, was the Chief Guest for this memorable occasion. This celebration was attended by all members of the faculty, graduate students, and research scholars. The Rector, Rev. Dr. John Alexander, welcomed everyone and introduced the main guest. He stated that education is not only about receiving but also about giving back to society. He advised the students to consider the great scientists who dedicated their lives to improve the society through research. Rev. Dr. K. A. Maria Arockiaraj, Additional Principal Shift II, presented the college's research credentials.

Dr. M. Nahren Manuel, the Dean of Research, called forth the Chief Guest to release the online journals of the Department of Tamil, Mathematics, Economics, Computer Science and Physics. Rev. Fr. Rector, Rev. Fr. Principal, Rev. Fr. Additional Principal, and the Vice Principal, all received the copies. Dr. M. Antony Arockiasamy, Assistant Professor of Mathematics, followed with the publication of books. The chief guest later declared open Researgence Software for research developed by Mr. Cedric Joseph, CEO, Cintelligence, Pvt. Ltd.

Rev. Dr. G. Theophil Anand, Shift - I presented the SHYIA (Sacred Heart Young Innovator Award) and SHYBIA reports (Sacred Heart Young Budding Award). Dr. Jude Vimal Michael, Assistant Professor of Chemistry, presented the Research Forum reports of each department. Dr. Martin Britto Dhas, Assistant Professor of Physics, delivered the 2022 Intellectual Property Rights report. The Principal, Rev. Dr. D. Maria Antonyraj, emphasized the significance of Research Day. He stated that such recognition of research achievements occurs only in prestigious institutions across the country. He asked everyone to contribute useful research so that the college could become a premier institution. The best research department in the arts was awarded to the Department of Tamil, and the best research department in the sciences was awarded to the Department of Mathematics. Dr. Martin Britto Dhas, Department of Physics, and Dr. K. Parthibaraja, Department of Tamil, received the faculty best research award. Mr. K. Siva Kumar, Department of Physics, received the best research award for research scholars. His name appears in the India Book of Records for having published 74 articles. Staff and scholars were recognized on stage for their contributions to Scopus-Indexed and UGC-Care-Listed Journals.

In his address, the Chief Guest admired and thanked the management, staff, and scholars for their sincere efforts. He inspired the students by stating that one need not have to be a scientist to be a researcher. One needs to be a bystander and relate on his experiences to reality. He stated that he had learned a great deal from his father and his own life. To become a scientist, one must put in to practice what he learns. He stated that, despite our many accomplishments,

India is classified as a third-world country. We must make India proud. India will become a superpower, thanks to research. Participation is required in research. Indian inventions should be included in our school curriculum. He shared his personal story about how he became interested in aerospace. Inventions transform real life into something new. He concluded by saying that we must put what we have learned into practice. Dr. M. Nahren Manuel, Dean of Research, proposed the vote of thanks. He thanked the management, staff, and students for their outstanding contributions to the institution's growth.

# Annual Retreat for Faculty Members (Catholic)

The Annual Retreat for the Catholic Faculty Members (Shift I & II) was held on 22<sup>nd</sup> & 23<sup>rd</sup> November, 2022 at 'Fountain', a Capuchin Institute of Counselling Psychotherapy and Research, Sundampatti, Krishnagiri District. The retreat was led by Rev. Fr. Joy Kurian SDB, who highlighted spiritual rejuvenation, introspection, and prayer. About 101 faculty members took part in this retreat and had the chance to spend more time in prayer, reflection and renewal of

one's connection with God. Speaking to the faculty on the significance of the Solemnity of Our Blessed Mother Mary, the Holy Mother of God, was Rev. Fr. Joy Kurian, SDB. He pointed out that the actual power of the rosary is that it immerses the soul in the life, death, and resurrection of Jesus. This joins the soul to Him who has paid for our rewards in everlasting life, and it also unites our hearts to Our Blessed Mother, in her most perfect love.

Each faculty member had time during the two-day retreat to disconnect from the outside world and spend quiet time in prayer with the Father. It provided faculty with the chance to refuel themselves by imitating Christ and re establishing a spiritual connection with God through prayer, sacrament, confession and Holy Mass. It gave them the chance to step out of their normal routine and live on God's time, consecrating every moment to Him and to the Blessed Mother.

Dr. S.R. Xavier Rajarathinam, Head, Dept. of Chemistry delivered the vote of thanks for the annual retreat.
