Tamil Nadu.**

Profile of the College

Sacred Heart College is a First Grade College affiliated to Thiruvalluvar University. It is a minority institution, established and administered by the Salesians of Don Bosco (SDB). It has been functioning since 1951. The college motto is "Ready for Every Good Work", National Assessment and Accreditation Council (NAAC) accredited the college in 1999 with four star status and the college has been re-accredited with A++ Grade during fifth cycle in 2024. It has also been ranked 80th College in India by NIRF Ranking 2025. The Autonomy Review Committee visited the college during the year 2006 and reconfirmed the autonomous status of the college. The College is celebrating its 75 years of service to uplift of the Rural and Semi urban youth around Tirupattur. College that began with 80 students initially, has grown into an institution having more than 5000 students in various UG, PG, and Research Programmes and importantly celebrates its Platinum Jubilee, this year.

About The Department

The Department of Economics is the earliest department in the college that started as an under graduate course in 1956. Similarly the post graduate course (M.A.) was started in 1986. The department was upgraded as a research department in 1992. It has very rich and qualitative outcomes through Ph.D., programme and about 20 Scholars were awarded their Doctorate in Economics. The alumni of the department have occupied very important positions all over the country and aboard. The department concentrates on research activities apart from the regular teaching programmes. It involves itself in undertaking various major and minor research projects sponsored by government departments and other funding agencies like UGC, ICSSR, NABARD, and MEAT.

About the Seminar

This seminar will explore from different perspectives regarding Viksit Bharat@2047. India as one of the fastest growing countries globally, has been at the forefront of contributing to economic growth, both inclusive and sustainable. As the vision of Prime Minister Sri Narendra Modi on Viksit Bharat@2047, addressing the voice of youth to the Governors, Vice-Chancellors and University Faculty on December 11, 2023 that Viksit Bharat@2047 is the government vision to drive the mission of making India a complete developed nation by its 100th anniversary of Independence in 2047. The vision is based on four main pillars such as, Youth, Women, Farmers and the Poor. It aims to make India a developed nation with economic growth, environmental sustainability, social progress and good governance. According to the plan, the goal is to improve the living standard of everyone in the country, promoting good education, job opportunities, medical facilities and better infrastructure. To show the roadmap of this plan, there is need for innovative and effective ideas. In this way the national seminar on Indian economy Viksit Bharat 2047 will be an interdisciplinary seminar and seek to understand various aspects of Bharat as a global leader. The national seminar will aim to deliberate on issues around India's role as a global leader with focus on technology, marketing, human resources sustainability and role of women in its development and explore new ideas which can help to achieve the vision of Viksit Bharat. In this regard, the PG and Research Department of Economics, organise a two day National Seminar to highlight the vision of Viksit Bharat.

Objectives of the Seminar

1. To understand the Viksit Bharat vision and sustainable development.
2. To understand global and social issues.
3. To address growing environmental challenges and new development paradigm.
4. To develop action plan and remedial measures to resolve the issues of conflict between growth and sustainable development.

Call for Papers

In the context of the above mentioned objectives, this national seminar calls for conceptual and research papers from the agricultural economist, academicians, scholars and students in any of the following areas. We also welcome the interested faculty members and students to participate in the seminar.

Sub Topics related to the Seminar

1. India's economic development in 21st century challenges and opportunities.
