Report on Drug Awareness Competitions - “Say No to Drugs, Yes to Life”

Title: “Say No to Drugs, Yes to Life”

Organized by: Media Forum Association, Sacred Heart College (Autonomous), Tirupattur

Organizers: President: Mr. N. Madhavan

Vice President: Dr. S. Rajeshwari

Date: 24 June 2026

Venue: Mother Teresa Hall, Sacred Heart College, Tirupattur

Time: 11.00 a.m. – 12.30 p.m.

On 24 June 2026, the **Media Forum Association** organized a series of competitions to raise awareness in alignment with the **International Day Against Drug Abuse and Illicit Trafficking**. Under the guidance of **Mr. N. Madhavan, President**, and **Dr. S. Rajeshwari, Vice President**, these events were designed to inform students about the risks associated with drug abuse and to motivate them to champion a drug-free lifestyle.

The competitions comprised **Essay Writing, Speech Competition, and Poster Making**. Students from various departments participated with enthusiasm, articulating their perspectives through essays, speeches, and creative posters on the theme of drug abuse prevention and social responsibility. This event served as an excellent platform for students to demonstrate their awareness, creativity, and communication skills while advocating for an important social cause.

The observance persisted on **25 June 2026** with a **Drug Awareness Rally**, which began at the **District Collectorate and concluded at Sacred Heart College**. Subsequently, an Awareness Programme was conducted at Kamarajar Arangam, where students, faculty, and dignitaries convened to promote the message of a drug-free society.

The programme featured **Mr. Akshay Anil Wakhare, IPS, Superintendent of Police**, Tirupattur District, who addressed the audience and highlighted the significance of youth involvement in the prevention of drug abuse. The event concluded with a Prize Distribution Ceremony, where the winners of the competitions were recognized for their exceptional performances.

The programme represented a substantial initiative that successfully increased students' awareness of the harmful consequences of drug abuse. It encouraged them to become responsible citizens committed to promoting a healthier, drug-free society.
