

**Dear Students,**

Greetings from the Principal's Desk.

Though it is unfortunate that we will not be able to have our regular classes these days, it is for the greater good of the Society and of our Nation that we are called to make this sacrifice. Let us all cooperate with the Government initiatives in letter and spirit to contain Covid-19 and eradicate it. However I wish to give you the following direction to keep in mind, so that our teaching, learning and evaluation do not get hampered.

1. I request the students to prepare for the exams from your home.
2. Students are discouraged from coming to the Campus until 31<sup>st</sup> March 2020. However, the scheduled practicals/ arrear exams/ oral exams etc will be carried out as per the direction of your Department.
3. Students are asked to avoid gathering in the Campus (or) visiting Malls (or) eating outside.
4. Students are asked to look at the college website for official news of College as well as of the Department
5. Teachers are directed to upload the **CA Marks in the website by 22<sup>nd</sup> March 2020**. Students are expected to look at the website and verify their marks. In case of doubts, kindly contact the concern staff.
