PG and Research Department of Computer Applications

Practical CA Examinations :: Even Semester :: 2019-2020

Dear Student,

We would like to inform to you that CA practical for I and II MCA will be **conducted online**.

The **questions will be unique** for each of you and you can **login in MOODLE** and download your question only during the time allotted for you.

You have to complete the exercise **from home** within **the prescribed time and upload** immediately.

The respective course teacher will **evaluate and grade** your exercise accordingly.
