Happy Easter to all of you. I am sure you are all using the time usefully during this lockdown period. The students are asked to get ready for your semester exams and also you are advised to register for online courses and use the time fruitfully. We shall let you know about the conduct of exam once we get clear and definitive guidelines from the govt.

The student community is strictly advised to co-operate with the district administration to abide by the various measures taken to contain the spread of the Covid-19. The students are also asked to remain home and stay healthy. Hope to see you all soon in the campus with full of life.

"Lastly, As per the direction of the govt., the college will remain closed for the students until 3rd May2020."
