Dear Students,

I am happy to reach you through this circular. Hope you are all doing well. As per the direction of the government we have been asked to conduct the even semester exams at the beginning of the new academic year 2020-21. We do not know yet the exact date of the beginning of the New Year. However the students are asked to keep in mind the following important instructions:

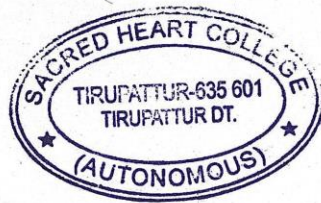

1. Exams will begin in June 2020 as soon as the government gives us the green signal
2. There will not be study holidays
3. There will not be any break between exams
4. As regards to Non Major and Life Education, your concerned course teacher will give you the direction
5. Regarding practical (Lab) the Heads of the department will give you direction
6. Students are asked to be "Examination Prepared"

I am happy to note that some of you have completed "Online Courses" during this lockdown. I would encourage other students also to look out for MOOC courses and register for it and spend the time usefully.

We have brought out "Sacred Heart Times" comprising of the events that took place towards end of the semester. Same is available in the website. You are asked to go through it.

I wish to ask all of you to protect yourself against Covid-19 and the rising temperature. Keep us in your prayers. I am praying for you all.

Thank you
