balance in the next semester. The system will allow the students to apply for the exams only after you clear the college fees. Hence dear students do not wait for the last minute to apply for the exams.

The hostel students are asked to contact the hostel directors regarding the arrival to the hostel and other formalities that are to be followed. The hostel management will come out with SOP that will be strictly adhered to in the hostel. In the college premises the college will implement the SOP that will be given by the government of TN. However I wish to remind the students to bring their own masks, personal sanitisers and soap, though college management will provide sanitisers at strategic points in the campus.

On November 16<sup>th</sup> Shift I students are asked to report to the college at 8.30am and shift II students at 1.15pm. First year UG & PG students are asked to bring your temporary Admit Card, TC and other documents if you have not submitted to the college office. First year PG students are asked to bring all the available documents in original including TC that you have uploaded at the time of admission. We need these documents for registration with the university. First year students both UG & PG are asked to take sufficient number photocopies of your various documents for future need.

Dear Students as we get ready for the regular classes, until then I wish to ask you to attend online classes and extend your cooperation. Let us pray that God may protect all of us from all dangers especially from this pandemic and help us to grow intellectually and spiritually in the coming months. Thank you. God bless you all.
