Dear Students,

Greetings from Principals desk! The much awaited revised direction from the Government of Tamil Nadu regarding the reopening of the colleges has come this morning. As per its directions the final year PG students and research scholars are permitted to come to the college from 2nd December 2020. **Hence for the final year PG students and research scholars classes will begin on 2nd December 2020. Students are asked to report to the collage on the above said date.** For all the other UG and PG students the date of reopening will be informed later and you are asked to attend online classes.

In the meantime students are asked to prepare for the II CA and it will be conducted for both UG and PG students as per schedule. Students are also asked to pay the college fees and apply for forth coming semester exams. As soon as we get clearance from the regulating bodies the semester time table and the modality of examination will be announced.

I take this precious opportunity to wish you all happy Diwali. May God brighten your life and be a grace of hope during this difficult time of COVID 19.

God bless you all.
