Dear Students,

Greetings from Principal's desk. The university has given a clear direction to the colleges to conduct the **December 2020 examinations for the II, III UG, II PG and III MCA**. Hence we have decided to conduct the examinations from **11th December 2020 through online**. It will be two hour written examinations and it will be mandatory for the students to upload the written paper as you did for the CA examinations and also it is mandatory to hand over the written scripts to the COE in single pack after the examinations.

A clear Standard Operating Procedure (SOP) regarding the examinations will be released by COE office soon. The examinations time table also will be released in the college website shortly. As a last chance, if there are any students who are yet to apply for the examinations can do so by **06th December 2020**. After that they will not be given a chance. All those are writing the examinations are asked to give **Student Feedback of Course Teacher** before the examinations. Students are also instructed to clear the dues of previous semester online, otherwise system will not allow you to take the examinations. For I UG and I PG first semester examinations will be conducted in January 2021. Final year UG and PG students are asked to report to the **college on 07th December 2020** as communicated to you.

Thank you,

 04/12/2020
