Dear Students,

At the very outset I take this opportunity to wish you all a Happy New Year 2021. May you all have a great year filled with immense happiness, peace and joy. Stay in good health and grow in knowledge and wisdom during this year.

I wish to congratulate you all for completing the odd semester examinations successfully. The first years will begin their semester examinations from 5th January 2021. I wish the students to do their exams well.

Dear friends the college will reopen on 4th January 2021 for the even semester. The latest press release in December 2020 by the honourable Chief Minister of Tamil Nadu, says that the previous directions concerning higher education will continue to be in force in January 2021. Hence all the final year students both UG & PG are asked to report to the college on Monday 4th January 2021 (8.30 a.m. Shift-I & 1.15 p.m. Shift-II) and the regular classes and practicals will be conducted in the campus. II UG Students will have their regular online classes as per the time table from 4th January 2021.

The odd semester examinations for I UG & PG will begin from 5th January 2021 as scheduled. The students are asked to take part in the mock exam that will be conducted for them on Sunday, 3rd January 2021. Regular classes will be held for the first year students from the next day of their last exam.

The hostel students are asked to contact their respective directors of the hostel for accommodation and adhere to the SOP strictly. The students are requested to have their own face masks, sanitizers and gloves. You are requested to wear the mask both in the class and in the campus. Students are exhorted not to gather in groups and ensure social distancing in the campus. The college will provide sanitizers at crucial junctures in the campus.

Dear friends I exhort all of you to take personal responsibility in ensuring personal safety as well as collective safety of the campus for a normal life. If any student exhibits sign of Covid 19 they are asked to report to the authorities and quarantine themselves.

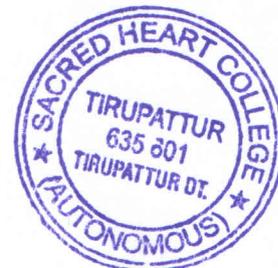

Let us start the New Year with a lot of HOPE that God will guide us and take us through the year safely. Let us make up for all the losses especially the intellectual growth by investing our time, energy and economic resources that we have missed so much in the last 9 months. May St. John Bosco bless all of us abundantly during this year.

Regards,
