

A Report on Plastic Eradication Rally in Tirupattur Town

A Plastic eradication awareness rally was organized on 22nd January at Tirupattur town by P.G & Research Department of Social Work. The program was initiated by the Community Development Forum of the department. The rally started at 2.30p.m and ended at 3.30p.m at Sacred Heart College gate.

This rally was called to support sustainable development goals on climate action and life on land. Through this rally people were made aware of the ill effects in using plastic that causes environmental damage and create climate change. They were made aware of the alternatives for use of plastic in daily life. As professional social workers it is our prime duty to remind people constantly in creating a better society. This is one of the departmental co-curricular activities that create awareness among the people. This rally started from Sacred Heart College gate number three and ended at the main entrance of the college.

Prof. J. Maria Leo Joseph of the Chemistry Department gave a short message, followed by a street dance performed by the social work students. The program was concluded with vote of thanks and refreshment.
