SACRED HEART COLLEGE

(A U T O N O M O U S) T i r u p a t t u r

Accredited by NAAC with CGPA of 3.31/4 at 'A+' Grade | Affiliated to Thiruvalluvar University, Vellore

Dear Sacred Hearts!

It is heartening and comforting to see that the campus is full of life and bustling with activities after two years of uncertainty triggered by COVID-19. We should thank God for protecting us from the clutches of the virus and bringing back life to normalcy again. I hope that this situation continues in the future, conducive enough for teaching and learning, co-curricular activities, research and outreach activities.

It is said that "Women are the real architects of society". We have witnessed this from our Women's Cell that arranged a variety of programmes as part of Women's Day celebrations. They reached out to the women students of our college and also different segments of our neighborhood. I congratulate the Women's Cell on these meaningful efforts.

The Russia Ukraine war has now lasted for more than 40 days with a peace agreement still not in sight. The onslaught of the war in terms of bombarding missiles and firing of deadly weapons has crippled the life of millions of innocent people and made them refugees on alien soil. Let us all hope that the countries involved in the war realize that the earth is the common Home for all, and bring this bloodshed to an end at the earliest.

A book fair is an excellent opportunity for book lovers to read and get exposed to a variety of books. Usually book fairs are arranged in metropolitan cities. Our district administration has made all possible arrangements and materialized a book fair for Tirupattur district at Sacred Heart College from 2nd - 9th April, 2022. I appeal to you all, our stakeholders to pay a visit to the exhibition and if possible buy a couple of books to improve your knowledge.

Let us realize that God love us so much, that He made His son to be born as a human being, who went through the pains of human life, died on the cross and is risen. With this in mind let us celebrate a meaningful Easter this year. Wish you and your family a joyous and peaceful Easter.

With regards

The session concluded with the questions raised by both staff and students. The vote of thanks was proposed by Miss S. Jemimah Lims, II M.Sc., Chemistry.

INVITED TALK ON VISIBILITY OF CLASSICAL AND QUANTUM PHYSICS

The PG & Research Department of Physics (Shift II), Sacred Heart College (Autonomous) organised a lecture titled Visibility of Classical and Quantum Physics on 09th March, 2022. It was delivered by one of the prominent scientist in the world in the field of “Materials” Dr. L. John Kenndey, Professor, Physics Division, School of Advanced Sciences, VIT University, Chennai. Master Ezhilarasan, II M.Sc., introduced the speaker. The resource person addressed the gathering on Bose Law with an example of human breathing process followed by the derivation of classical wave. He explained the fundamentals of quantum and classical mechanics. He elaborated on the Tunneling effect, Heisenberg uncertainty principle, and the benefits of electromagnetic waves. He also explained how physics works in day to day life with simple and elegant examples. Rev. Dr. G. Theophil Anand, Vice Principal, Administration (Shift-II) coordinated the event.

LEAP 2022

The Department of Physics (Shift I & II) organized ‘LEAP 2022’ (Learn Excellence Adventure in Physics) on 19th March, 2022. During the inaugural session, the welcome address by Mr. Thirupathi, Head, Department of Physics (UG – Shift II). The inaugural address was given by Dr. Albert Irudhaya Raj, Head, Department of Physics (Shift-1). The vote of thanks was proposed by Rev. Dr. Gandhi Kallarasan SDB. Competitions like: speech competition, singing, uniform dance, mems, dumb charades were conducted for the students. They were divided into six teams namely: Mars, Mercury, Venus, Autumn, Spring and Summer. All the competitions were related to Physics. The first place was won by the team Spring followed by Autumn and Mars respectively.

CHEMFEST 2022

The PG and Research Department of Chemistry (Shift II), Sacred Heart College (Autonomous), Tirupattur in association with RUSAC organized 'Chemfest 2022' on 18th March, 2022. During the inaugural session Dr. S. Xavier Raja Rathinam, Head, Department of Chemistry, Sacred Heart College Autonomous, welcomed the gathering. The inaugural address was delivered by Rev Dr. D. Maria Antony Raj SDB, Principal, Sacred Heart College, (Autonomous), Tirupattur. Dr. K. Geetha, Associate Professor & Head, Muthurangam Government Arts College, Vellore, Dr. Venkataraman Dharuman, Assistant Professor, Department of Bioelectronics and Biosensors, Alagappa University, Karaikudi and Mr. A. G. S Neelagaantan, Technical Officer, CIPET, Institute for Petrochemicals (IPT), Guindy, Chennai were the chief guests of the event.

Dr. V. Collins Arun Prakash, Head, PG Department of Chemistry introduced the chief guests. The students and staff paid homage to the deceased RUSAC members Dr. Poornanathan and Dr. Vijayakumar who were its pillars. There were two sessions during the fest. The first session was addressed by Dr. Geetha. She highlighted the steps to solve the spectroscopic problems. She also discussed the importance of the clearing CSIR JRF/NET. The second session was handled by Dr. V. Dharuman, Assistant Professor, Department of Bioelectronics and Biosensors, Alagappa University, Karaikudi. He highlighted the importance and applications of Nanomaterials in the field of biosensors. Various events for the students were conducted: just a minute, guess me, chem-connections, quiz, odd-one out and poster presentation. The valedictory session was presided over by Rev. Dr. John Alexander, SDB Rector & Secretary, Sacred Heart College (Autonomous), Rev. Dr. Praveen Peter, SDB, Vice-Principal & COE, Sacred Heart College (Autonomous), Tirupattur distributed the prizes. About 100 participants attended the fest. The programme concluded with the words of gratitude by Master Michael Raj, II M.Sc., Chemistry.

NATIONAL WORKSHOP ON DATA ANALYTICS USING ADVANCED EXCEL

The Department of Commerce (CA) organized a three days "National Workshop on Data Analytics using Advanced Excel" on 29th, 30th and 31st, March 2022. The workshop aimed to introduce students the nuances of Data Analytics using advanced Excel. The felicitation address was delivered by Rev. Dr. K.A. Maria Arokia-raj, Additional Principal, Shift-II. Mr. B. Berty Roy, Assistant Professor, Department of Commerce (CA) delivered the welcome address and Mrs. C. Dharmadevi, Assistant Professor, Department of Commerce (CA) introduced the resource person. Dr. Rahul Gupta, Senior Trainer, E& ICT Academy, IIT Kanpur and Rank 1 Microsoft Certified Trainer was the resource person. The online demonstration was held on the following topics: Using Formulas with Multiple Operators, Defining and Managing Names, Ranges, Auto Calculation and Manual Calculation, Logical, Data & Time Functions, Sorting, Custom Sorting, Data Filters & Advanced Filtering, Text Functions, Lookup and References, Picture Lookups, Pivot Tables, Pivot Charts, Dashboard with Pivot. The vote of thanks was proposed by Dr. Valarmathi, Assistant Professor, Department of Commerce (CA). About 100 students attended the workshop.

WORKSHOP ON CSIR-JRF/NET

The PG and Research Department of Physics (Shift-II) organized a workshop to crack CSIR – JRF/NET in Physics for the II PG students between 10th and 12th March, 2022. The inaugural function started at 09:00 a.m. in the Oasis Hall. Dr.M.Jose, Head (PG), Department of Physics welcomed the gathering. Rev.Dr.G.Theophil Anand, Vice Principal, Administration (Shift-II) gave the inaugural address; in his speech he insisted the importance of clearing CSIR examination. Dr.S.A.Martin Britto Dhas, Assistant Professor, Department of Physics introduced the resource person Dr.N.Meenakshisundaram, Assistant Professor, Department of Physics, Vivekananda College (Autonomous), Madurai. The resource person spoke about the various funding agencies and the ways to get into central universities. He also trained the students in Part-A of CSIR paper. About 23 PG students were benefited from the workshop. Mr.D.Raj Kumar, Assistant Professor, Department of Physics coordinated the workshop.

NATIONAL LEVEL IT SYMPOSIUM- SAIT'22

The Department of Computer Applications (Shift II) organized a National Level IT Symposium “SAIT’22” on 24th March, 2022. It is a platform to showcase the participant’s technical skills in the field of computer science and information technology. About 407 participants from 21 colleges along with their faculty members registered for the events. Rev. Dr. K.A. Maria Arockiaraj SDB, Additional Principal was the chief guest. He emphasized the importance

of IT during pandemic period and urged the audience to acquire technical skills to meet the difficulties of the IT industry. Mr. A. John Martin, Head, Department of Computer Applications honored the chief guest. During the valedictory session Rev. Dr. S. John Borg, Head, PG Department of Mathematics (Shift – II) congratulated and appreciated the organizers and participants from various colleges for their active participation. He distributed the prizes to the winners and certificates to the participants. Auxilium College for Women, Vellore won the overall championship. Mrs. C. Dharmadevi, Assistant Professor, Department of Computer Applications proposed the vote of thanks.

INVITED TALK ON MAGNETOCALORIC MATERIALS UNDER EXTREME CONDITIONS

The PG & Research Department of Physics (Shift II), Sacred Heart College (Autonomous) the second lecture of the lecture series on “Shock Wave - An Emerging Scope for Research in Material Science” was held on 25th, March 2022. The Lecture II titled "Magnetocaloric Materials under Extreme Conditions" was delivered by Dr. Sivaprakash Paramasivam, Center for High Pressure Research, School of Physics, Bharathidasan University, Trichy. Mr. N. Madhavan, Assistant Professor, Department of Physics welcomed the gathering. Dr. M Jose, Head (PG), Department of Physics introduced the resource person. Dr. S.A. Martin Britto Dhas honoured the resource person with a memento. Dr. Sivaprakash Paramasivam in his lecture elaborated the basic concepts for better understanding. He explained various methodologies and trends in the field, application on tools and analysis and his current project findings.
