To make the faculty members to be comfortable with MOODLE and Microsoft Teams platform, they are given hands on training.

An admin in each department takes the responsibility of maintaining the site. They create courses and assign roles to the students and the course teachers. Special training provided to the admin on administering the MOODLE site. The activities carried out by the admin and the faculty members.

- The admin arranges hands on training to the students through association activities.
- Faculty members are uploading their course materials and started assessment like assignment, quiz etc.
