OUR FOUNDER DON BOSCO

Saint John Bosco (16th August 1815 – 31st January 1888), Known as Don Bosco, was an Italian Roman Catholic Priest, Educator and writer of the 19th century, who put into practice the convictions of his religion, dedicating his life to the betterment and education of disadvantaged youth. He believed education to be a “matter of the heart” based on reason, religion and loving kindness. His followers popularly known as Salesians continue his pedagogy of education throughout the world.

Don Bosco was a man of God and a man for others. He was a man of all times and all seasons. Don Bosco was a Father and a Teacher of the youth. He was a person whose life was full of faith in the goodness of young people.

Don Bosco was from a poor farming family, where his experience of poverty equipped him with an understanding of the poor and the hardships they had to suffer. He knew what it was like to be without a father. He realized how important it was to be skilled in a trade so as to be able to find work; how vulnerable a young worker was to exploitation and how much exposed one was to moral dangers and the vices of drink, sex, gambling and stealing.

He developed an educational system which is also a spirituality based on reason, religion and kindness. Friendship was key to his success. “it is not sufficient to love the young, they must know that they are loved.” This was the basis of Don Bosco’s success. It is only when the young feel loved that they can grow.

Don Bosco’s Youthful optimism and Cheerfulness are very relevant even today. “He took no step, he said no word, he took up no task that was not directed to the saving of the young.”

Even after 125 years after his death his followers continue his work with eagerness and faithfulness. The one principle that guides them still is the same principle that guided Don Bosco: “That you are young is enough to make me love you very much.”

A BRIEF HISTORY

Very Rev. Fr. Joseph Carreno SDB, a far-sighted missionary from Spain founded Sacred Heart College in the year 1951. It started functioning with 10 teachers and 81 students and in a period of seven decades, it has grown into a postgraduate and research institution. With the view to cater to the needs of the deserving local students, the college also offers undergraduate programmes and postgraduate programmes aided and self-financing mode.

Recognizing its academic contributions, the University of Madras conferred the autonomous status on the postgraduate programmes of MSW (Social Work) and M.Sc. (Mathematics) from the academic year 1987-88. Subsequently, in the year 1988-89, autonomous status was conferred on the postgraduate programme of M.A. (Economics) and on all the undergraduate programmes. Meanwhile the Evening College affiliated to University of Madras, was functioning in the non-autonomous mode. The College received the approval from AICTE (All India Council for Technical Education) to commence MCA programme on self-financing basis from the academic year 1998-99.

In the same year, the College was accredited for the first time by NAAC with Four Stars. In 2000, the College initiated evening study centres for the poor students in different villages around Tirupattur. The economically poor students were chosen to teach in these study centres and they were given work-scholarships. The golden jubilee of the College was celebrated in 2001 and a memorial building was opened to accommodate additional departments which were started. In 2003, the Madras University was bifurcated and Sacred Heart College came under the Thiruvalluvar University. In the same year, Amalgam hostel was started to accommodate the post graduate girl students in the campus.

In 2006, NAAC reaccredited the College with 'A' Grade. 'Guezou Hostel' for men was inaugurated to accommodate the increasing number of men students. In 2007 Autonomous Status was conferred on to the entire College and the College opened itself to admit girl students in UG programmes. In 2008, the Choice Based Credit System (CBCS) was introduced. Besides these many UG, PG and Research programmes were introduced from 2008-2010. In 2011 AICTE approved MBA programme was instituted. The Diamond Jubilee building was dedicated exclusively for the AICTE programmes of MBA and

MCA. In 2012, the College focused itself on research and a research centre was created and it was named as Abraham Panampara Research Centre (APRC). In 2013, the College was once again accredited by NAAC (3rd Cycle) with 'A' Grade. From the year 2015, digitalization of administration began and it is very successful mainly due to the in-house development of softwares.

The year 2016 saw a new entrance and a well-furnished new building (Bicentenary Building) to accommodate more number of departments. In the same year restructuring of all the programmes were done after a long process of consultation and academic audit of all departments. In 2017, the Ministry of Human Resource Development, Government of India has ranked our College as 95th College in India. Over these years the College included additional degree programmes and diploma programmes to provide quality education to more young people. As we see the College undertook a forward march and never turned back. We continue to march together with our staff and students towards excellence. The College made a significant progress from A to A+ Grade (CGPA of 3.31/4) in the 4th Cycle of NAAC accreditation under Revised accreditation Framework in January 2019.

Don Bosco System of Education

The pedagogy of Don Bosco may be re-named for our times as the 'pedagogy of expression' because it is a system of education that is designed to enable a student to grow fully and freely into the kind of person he or she is 'meant' to be. Don Bosco himself called his educative method 'the preventive system' – a name he chose to contrast it with the 'repressive system' in vogue during his time. The latter was a type of education that used fear of punishment as the basis for control. In contrast, Don Bosco's preventive method would seek to 'prevent' the very need for punishment by placing the child in an environment in which he/she is encouraged to choose the 'good' rather than the 'bad'. In positive terms, this environment would create a healthy, congenial and friendly atmosphere in order to elicit the *best* that a student can offer – his/her complete self-expression.

The *roots* or the invisible principles of Don Bosco's 'system of expression' are 'Rapport', 'Religion' and 'Reason', while the trunk or visible body of this educational method is 'Presence'. These are the four principles of his educational system.

This 'presence' of the teacher in the life of the student is the epitome of Don Bosco's educative system. For rapport, religion

and reason to be truly lived out with one's students, teachers have to be present in a way that is qualitative. This calls for a type of presence that has the following characteristics:

1. A Motivating Presence: One that infuses enthusiasm, encouragement and optimism. The presence of the educator infuses in the child a thirst for knowledge through the tactful use of queries, experiments, and exposure to new and educative environments.

2. A Personal Presence: The presence of the teacher is such that each child feels known, loved and accepted. This is all the more essential when relating to children having different levels of intelligence who are weak, differently abled and underprivileged.

3. An Incarnational Presence: As explained under the section on 'rapport', loving what your students love or 'getting under their skin' has an important purpose: seeing the world through their eyes will make them want to experience the world and the values you live by.

4. A Creative Presence: That is open to the joy of discovery. Life is too rich, too precious, too varied to be experienced between the fine print of cold textbooks or within the walls of classrooms. Being open to discovery means being ready to try new ways, new solutions and new ideas. Risk is a necessary ingredient of all creative learning.

5. A Preventive and Corrective Presence: Students are prone to forget rules. Being there with them would help prevent exposure to harm. Furthermore, timely reminders do help. But these reminders must be respectful of the offender. A presence that instil's fear and punishment does more harm than good. In his letter to his Salesians, Don Bosco advised:

"My sons, how often in my long career has this great truth come home to me! It is so much easier to get angry than to be patient, to threaten children rather than persuade them. I would even say that usually it is so much more convenient for our own impatience and pride to punish them than to correct them patiently with firmness and gentleness." (Letters of John Bosco, 201)

COLLEGE ANTHEM

Come let's sing of Sacred Hearts
Ready for every good work - 2

Equality, Freedom and Fraternity
Are the values we all follow
Reason, Religion and Loving Kindness
Don Bosco's method shaping us.

Academic excellence and noble research
Skills for life that we ever pursue
Faith and family, culture we value
Love for humanity we ensure

May God the source of all Peace and Justice
Enlighten our minds and direct our wills
May God the source of all Truth and Wisdom
Make us seek the truth and keep us truly wise.

To learn to lead and lead to change
Yes, change this world a better place
For you and for me - 3

COLLEGE PRAYER

O God, the Source of all Truth and Wisdom
Bless our work and study which we offer you
Enlighten our minds, strengthen our memories
and direct our wills towards what is right
Enable us always to seek the truth and make us truly wise.

Our Father in Heaven, Holy be your name
Your kingdom come. Your will be done, on earth as in heaven
Give us today our daily bread. Forgive us our sins
as we forgive those who sin against us. Do not bring us to the test
but deliver us from evil. Amen.

PRAYER FOR OUR COUNTRY

Refrain: Into that heaven of freedom, my Father,
 Let my country awake!
Where the mind is without fear and the head is held high,
Where knowledge is free
Where the world has not been broken
 into fragments by narrow domestic walls,
Where words come out from the depth of truth,
Where tireless striving stretches its arms towards perfection
Where the clear stream of reason has not lost its way
 into the dreary desert sands of dead habit.

- Rabindranath Tagore

TRANSLATION OF NATIONAL ANTHEM

Thou art the ruler of the minds of all people

Dispenser of India's destiny
Thy name rouses the hearts of the Punjab
Sind, Gujarat and Maratha
of the Dravida and Orissa and Bengal
It echoes in the hills of Vindhaya and Himalaya
Mingles in the music of the Jamuna and Ganges,
And is chanted by the waves of the Indian sea
They pray for the blessings and sing thy praise
Thou dispenser of India's destiny
Victory, Victory, Victory, to thee.
